THE WASHINGTON

## FOOD SITUATION

**Demands Immediate Attention According to a Bulletin Issued to the Members of the Chamber of Commerce by Secretary Grimsley.**

Secretary H. C. Grimsley, secretary of the Chamber of Commerce has issued the following bulletin to the members of that organization:

Of all the matters of public interest, that which most urgently demands the attention of the members of the Chamber of Commerce and the citizens of Maysville and Mason county at this time is the question of food supply this year.

This bulletin is issued with the sole purpose of bringing this vital matter to your attention in the hope that it will result in immediate action.

You are doubtless familiar with the situation which has been discussed at length in current periodicals, but do you realize that the situation will effect you individually? It is needless to here go into detailed statistics with which the papers have been full, but a summary of the condition as a whole brings out the one important fact that unless action is taken immediately by each individual, even in a small way, we are going to suffer from a shortage of food such as this country has never seen before.

A recent report by the Committee on Agriculture of the French Chamber of Deputies predicts a grave shortage in the French crop this year, and the reports issued by the governments of other countries show that the shortage will be universal. Our own wheat crop is decidedly discouraging.

Our allies across the sea are going to be in urgent need of assistance from us in the form of food; we ourselves will need enough to feed our own people, and the Department of Agriculture estimates that 16 per cent of our male farm labor has left the farm for the cities, within the past year.

This is a grave situation which we must meet with a cool and clear head, and prompt action. What we do must be done within the next two weeks.

A home garden for every family in Maysville will give us more relief than anything else which can be done in the short time which is allotted to us. Those who have ground to work should immediately begin extensive cultivation, and those who have no available ground should endeavor to procure a plot and put it in cultivation at once. Unless each individual does his share to lessen the demand on the market which represents a limited supply, we will face a situation which will be far more serious.

If any member of this organization has more ground than they can cultivate, notify the Secretary (Telephone 52) and it will be put in the hands of less fortunate people who can cultivate a garden. Upon application the Chamber of Commerce is prepared to furnish expert advice on the cultivation of your garden, and to assist in every way.

This is the best brand of patriotism that we can show now.

## NAMES OF HISTORIC SHIPS TO BE GIVEN NEW CRUISERS

Washington, April 10—Names of historic naval vessels today were given to the five battle cruisers being built for the navy. They will be called the Saratoga, Constellation, Constitution, Ranger and Lexington, after the famous frigates of the first American navy.

The ancient frigates Constellation and Constitution will be known hereafter as the Old Constellation and the Old Constitution. The former is being used at Newport as a training vessel, and the latter is laid up at the Boston Navy Yard.

The present cruiser Saratoga will be renamed City of Rochester, and another name will be chosen for the gunboat Ranger, in the service of Massachusetts as a school ship. There is no Lexington now on the navy list.

## 1,400 LUTHERANS ARE ASKED TO SUPPORT WILSON

Philadelphia, April 10—The 1,400,000 members of the Lutheran church in this country are called upon to loyally support the government in a proclamation signed by the presidents of the three Lutheran bodies.

The document calls upon the members "to affirm and approve by word and act, their loyalty to the President and Congress of the United States, and we further recommend to the congregations in our cities and towns that they form or unite in forming American Red Cross chapters in their respective communities for the amelioration of the lot of our brave soldiers and sailors and that they offer up prayers that the war may end with honor to our country and in an early and perpetual peace."

## GONE FOR GOOD

**Results That Last Are What Appeal to Maysville People.**

Kidney sufferers in Maysville want more than temporary relief. They want results that last—Results like Mr. Lynch tells about. His was a thorough test. Over four years is a long time. Doan's Kidney Pills have stood the test and stood it well.

Why experiment with an untried medicine? People here in Maysville have shown the way.

Read Mr. Lynch's story: W. H. Lynch, shoemaker, E. Third St., Maysville, says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills and in a short time, the action of my kidneys became normal. I kept on taking them and they completely relieved me." (Statement given January 9, 1912.)

A PERMANENT CURE On November 14, 1916, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Lynch has twice publicly recommended—the remedy backed by home testimony. 50c all stores. GERMANS WORKING HARD FOR SEPARATE PEACE WITH RUSSIA

Copenhagen, via London, April 9—In the midst of the interest in America's preparations for participation in the war and impending German and allied offensives in the west, it would be wise not to lose sight of the fact that Germans, particularly the socialists, are working industriously for peace with Russia and have not lost hopes of success, despite the discouraging pronouncements of a war to a victorious end coming from Petrograd.

It was announced in Berlin that the socialist leader, Philipp Scheidemann, head of the majority socialists in the Reichstag and a politician close to the chancellor, has left Germany on "a mission."

Herr Scheidemann's mission involves an attempt to open communication with the Russian socialists and social revolutionists of the extreme schools who favor an immediate peace.

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. . . . had us get Cardui. . . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

## TAKE

## CARDUI The Woman's Tonic

She writes further: "I am in splendid health . . . I can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

SEND BIG COB PIPE TO KAISER AND END WAR, HOUSE NO. TIFIES SPAHN

Frankfort, Ky., April 9—Representative Adam Spahn prizes most highly a long stem cob pipe and this "pet" was the subject of a resolution introduced in the House today by Representative Greene. It follows:

"Whereas, Representative Spahn sports a pipe that is not germane to the call, and

"Whereas, said Spahn permits said pipe to roam about over the House chamber seeking whom it may destroy, regardless of sex, nationality, or political affiliation,

"Therefore, Be it resolved by the House that Mr. Spahn be directed to forward said pipe to the Kaiser and end the war."

Pluck begets more happiness than lack.

## GRAND OPERA

**To Be Presented Here—American Opera Quartet Will Be One of the Popular Lincoln Chautauqua Offerings.**

This city will be able to boast of an evening of grand opera, as a result of the coming of the Lincoln Chautauqua in a few weeks, because one of the star attractions of the interesting week of Lincoln entertainments will be the noted American Opera Quartet, an organization of widely known singers. On grand opera night at the big chautauqua tent, the audience will be given a program almost equivalent to an evening at a New York opera house. The ever-popular opera "Bohemian Girl" will be presented, with the following well known opera singers in the leading roles: Joel Mossberg, baritone, James Hamilton, tenor, Miss Mildred L. Smith, contralto, Miss Lois Johnston, soprano.

The opera, which will of necessity be in tabloid form, will be accurately costumed, staged, and sung, and will be a real musical treat for the city. Such an advantage as this is rarely offered cities that are not on the regular opera circuits of the larger companies, and it was a happy stroke of the Lincoln management when they added the grand opera attraction to their program of popular entertainments.

Those who are familiar with activities in the world of music will probably recognize in the "Bohemian Girl" cast, the names of American singers who have attracted considerable attention in operetta circles. Joel Mossberg's baritone has brought him favorable mention among the musical notables and James Hamilton enjoys the reputation of a gifted singer with marked dramatic ability. Miss Johnston and Miss Mildred Smith are no less famed for their concert work.

In addition to the tabloid opera, the company will present a varied program of oratorios, arias, grand opera selections and popular songs, filling out an entire evening rich in music that all will enjoy.

Of equally high order will be the other Lincoln attractions during chautauqua week. The noted Brooks concert band, with Ellis Brooks himself directing it, Vierras Hawaiian Singers and musicians, Ralph Parlette, with his popular lecture, "The University of Hard Knocks," the Gales, in "Songs and Stories of the Red Men," the Emerson Winters Company, the Schroeder Quintet, in beautifully costumed musical chautauqua season one long to be remembered by all who enjoy its many advantages this year. The local committee composed of many of our leading citizens, expect to make a great success of the chautauqua.

## AMERICAN LINER STRIKES NINE: DAMAGE IS SLIGHT

Liverpool, April 10—The American line steamship New York, bound from New York for Liverpool, struck a mine last night when nearing her destination. The explosion occurred on the port bow of the vessel and distress signals were immediately sent out.

Nearby vessels went to the assistance of the liner and all her passengers were taken off and brought to the landing stage here. It was found that the damage, which was confined to the fore part of the vessel, was not serious and the New York was able to make her pier under her own steam. The vessel had shipped some water but her appearance as she came into the river suggested nothing more than that she was heavily laden. When the New York was moored a large gang of dock workers immediately began to discharge the cargo so as to enable the steamer to go into dry docks as early as possible.
